Application

Dust binder cloth

- For binding even the finest dust before painting.
- Universal application
- Slightly more coarsely meshed fabric with soft, harmless waterproofing
- Silicone- and wax-free
- Does not dry out, which means unlimited shelf life

Application area

The dust binder cloth is ideally suited for all painting and associated cleaning tasks. Thanks to the unique waterproofing, all dust and dry dirt is picked up and reliably bonded. The support material is made from high-quality, loose gauze fabric allows the dust to penetrate the inner layers, thereby ensuring additional reliability and optimum dust retention capacity. The waterproofing is fully silicone- and wax-free, entirely harmless with respect to any painting and does not dry out.
